

Caretaker Opening Checklist

Open the hurricane shutters
Turn on the main water valve
Flush toilets
Turn on each water tap and then turn off
Test disposal
Turn main water valve off!
Lock door and leave

Please leave the water and hot water heater off until the owner arrives. If they need ice, they can get it from the ice machine in the social room.

If they need help turning the water on, call Hector at 485-5913 (Cell) or 229-2037.
