

# Islandia I Site Survey

We need to know what communications services you use in your unit at Islandia I. Included are TV standard channels, premium channels, high definition TV, DVR, telephone, and internet services. These services are likely provided by multiple service providers (AT&T, Comcast, dial-up for internet, others.) Please use the comments fields to explain anything you think the form may not ask explicitly. Use the back of this page for explanations if necessary.
