

The Latest News from People's Choice Cable:

People's Choice Cable has merged with Access Media 3!

GREAT NEWS! People's Choice Cable has merged with Access Media 3 (AM3). The merger will not impact your service and you will continue to receive the product offerings that you receive today. Like People's Choice, **customer satisfaction** is AM3's number one objective. You will notice the new name and logo, and begin to see new AM3 Internet and Voice products. The timing of these new offerings will be communicated to the property and its residents, in the coming months.

The **same management and installation team** you have trusted will remain in place. The **same faces that service your property today** will now be wearing AM3 shirts. ***This is a merger of our companies and a combining of the strengths of each organization, to deliver the best possible resident experience.***

Technical and customer support will continue to be serviced from the People's Choice offices in Boca Raton, Florida, with additional support offered by the AM3 customer service center in Chicago, IL. Customer service can continue to be reached at **877-410-1653**.

Residents that currently receive invoices from People's Choice Cable will notice their invoices will now reflect the AM3 logo, and the remittance address contained on the payment envelope is a Chicago based address. The due dates and amounts of your current invoices will not change.

Access Media 3 maintains its corporate headquarters in the Chicago area, in Oak Brook, Illinois, and also maintains an office in Minneapolis that services the Twin Cities region. The merger with People's Choice Cable opens the east Florida market for the company.

The AM3's merger with People's Choice Cable allows for Access Media 3 to bring its premier triple play services to People's Choice customers.

- AM3 is a leading provider of DirecTV, and AM3 branded Voice and Internet services.
- AM3 is managed by seasoned industry veterans with deep knowledge of the TV, Voice and Internet industry
- AM3 is strongly committed to the long term satisfaction of our residents.

AM3 prides itself in being a flexible and customer focused organization that will continue to learn and grow from feedback we receive from you, our valued customer. If you have any questions or concerns, please call our customer service number at **877-410-1653**.
