Dear Residents of Islandia:

GREAT NEWS!! On December 1, 2009 Peoples Choice Cable TV and Broadband (PCCTV) is becoming your new BULK TV and Internet provider. At Peoples Choice Cable TV and Broadband our name is our mission. We provide you with DIRECTV programming and technology. As you know DIRECTV is the leader in digital offerings, such as foreign language, NFL exclusive out of market games, and of course the leader in high definition channels. Your board has chosen The Choice package with access to over 150 channels and an interactive TV GUIDE!

**Our team will be at your property on Thursday, November 5, 2009 at 6:30pm to answer any and all questions you may have and to introduce the new system you will be getting. Please come by and enjoy some refreshments while you schedule a date/time for us to install the receiver(s) in your home.**

You will be receiving one (1) standard DIRECTV receiver which is included in your monthly maintenance. If you need any additional receivers we can install it for you and you will be billed individually from DIRECTV at a cost of \$5.00 per month per receiver (after the 1st receiver) and that includes all the same services that are on your primary receiver. You have the option to order High-Definition receivers or High-Definition DVR's (digital video recorder), premium pay channels, etc... Please call us for pricing.

PCCTV will also be offering internet services to Islandia residents. Islandia residents will be able to take advantage of the customized choices that PCCTV has created for Islandia. PCCTV offers a high speed internet for only \$20.00 per month if paid in advance; we also have a "seasonal" rate of \$35.00 for 6 months of service if paid in advance, or a month to month rate for only \$40.00 per month.

We look forward to a long relationship with Islandia and are committed to providing Islandia residents with the best in Television Service, given to you through friendly and dedicated employees of Peoples Choice Cable TV. At Peoples Choice Cable TV, "Our name is our mission".

Sincerely,  
Peoples Choice Cable TV and Broadband
